Re: Patent Application For ELECTRONIC TICKETING
AND VALIDATION SYSTEM AND METHOD

Dear Woody:

Enclosed is a draft of a patent application, including a set of informal drawings, which we have prepared based upon your disclosure of an electronic ticketing and validation system. After you have had an opportunity to review the enclosed draft, please call me with any changes, additions, modifications, or comments that you may have.

Very truly yours,

HAVERSTOCK, GARRETT & ROBERTS LLP

David H. Chervitz
